We are still stuck on this thing called an island, we are running low on supplies we took with us, we are about to venture out on to the island. Since we have some time lets talk about how we got here.

Los Angeles, California

It was just a normal day in the suburbs, until today.

Chapter 3 by /Username/

My eyes go wide as I witness the T-Rex devour an entire family of dodo birds.

"Holy crap! We gotta go!"

"Be quiet!"

We wait until the Rex's back is turned, then dash into the jungle. Matt and I take cover beneath a rock overhang. After several minutes, an Oviraptor stumbles by, screeches at us, and retreats into the thicket.

"We're safe."

"Phew!"

"Yeah, well, when we washed up, it looks like our food didn't make it, and now I'm hungry."

"What are we gonna eat?"

"Let's find a watering hole. Lots of plants and animals there."
